

**Figure 1**

Figure 1 consists of two bar charts, labeled (a) and (b), showing the percentage of respondents who answered "yes" or "no" to various questions related to their knowledge of the National Health Service (NHS). The x-axis for both charts lists the following categories: "Do you know what the NHS is?", "Do you know where the nearest hospital is?", "Do you know how to get to the nearest hospital?", "Do you know how to get to the nearest GP surgery?", "Do you know how to get to the nearest pharmacy?", "Do you know how to get to the nearest dentist?", "Do you know how to get to the nearest A&E?", "Do you know how to get to the nearest mental health service?", "Do you know how to get to the nearest community care services?", "Do you know how to get to the nearest social care services?".

Chart (a) shows the percentage of respondents who answered "yes" to each question. The y-axis ranges from 0% to 100%. The percentages are approximately: 98%, 95%, 92%, 88%, 85%, 82%, 78%, 75%, 72%, 68%.

Chart (b) shows the percentage of respondents who answered "no" to each question. The y-axis ranges from 0% to 100%. The percentages are approximately: 2%, 5%, 8%, 12%, 15%, 18%, 22%, 25%, 28%, 32%.
